

# have your say

**Warrina Services would like to hear from you.**

At Warrina we believe it is important that everyone has the opportunity to be heard.

It could be a suggestion, to pay someone a compliment, to raise an important issue or even to make a complaint.

If you have something that you would like to say, feel free to use this confidential form. Please be aware that in order for us to properly investigate a complaint you will have to give us your name.

Simply write what you want to say in the space provided on the back and put the form in the suggestions box in the kitchen.

It's as easy as that!
